

Our Studio

Our studio is a paint-your-own-pottery, glass fusion and mosaic place. Your child's creativity will soar through a variety of art projects. Art projects are chosen to allow each artist the chance to be creative & successful in all they do. Emphasis is placed on the process of creating, not just on the final product.

Our Camps

We offer Spring, Summer, and Winter Art Camps for children. Creative projects range from pottery painting, glass fusing, mosaics, clay sculpting, canvas painting and more. The campers are boys and girls and ages from 5 to 13 and will work on age-appropriate projects every day.

Sample Activity List

Clay Projects Ceramics Painting Mosaics
Sun Catchers Wood & Acrylics
Glass Fusing Paper/Textile Art

Camps are designed to encourage children to try new art media, and will encourage creativity and imagination. While the main focus of our studio is pottery painting, glass fusing and mosaic, we also explore many arts and crafts mediums. Approximately 8-10 projects per week. Even though we use similar mediums, the projects change each week so that repeat campers have a varied curriculum.

Join us on the Monday afternoon following camp for an "Art Show" where each artist's work is displayed for the admiration of parents, grandparents, etc. Truly one of the highlights of the camp experience!
